Each shining golden hour is today!

*In heart and hand and mind,
One holds the power to mould in new designs,
The beauty he shall find along the way*

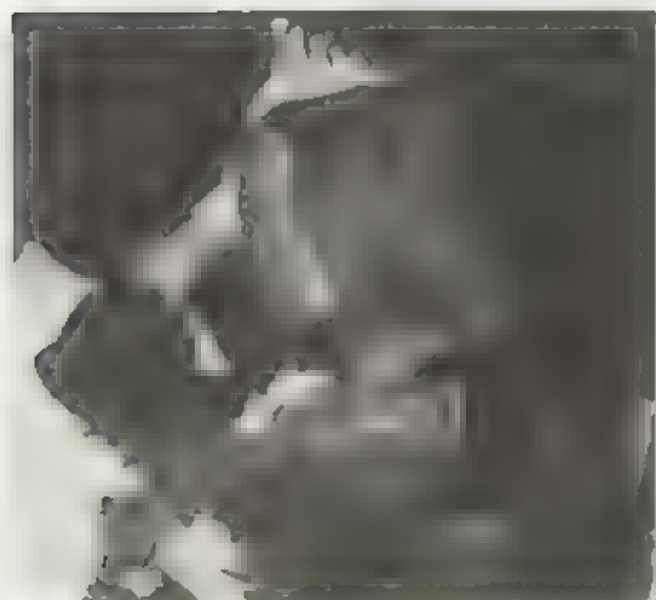

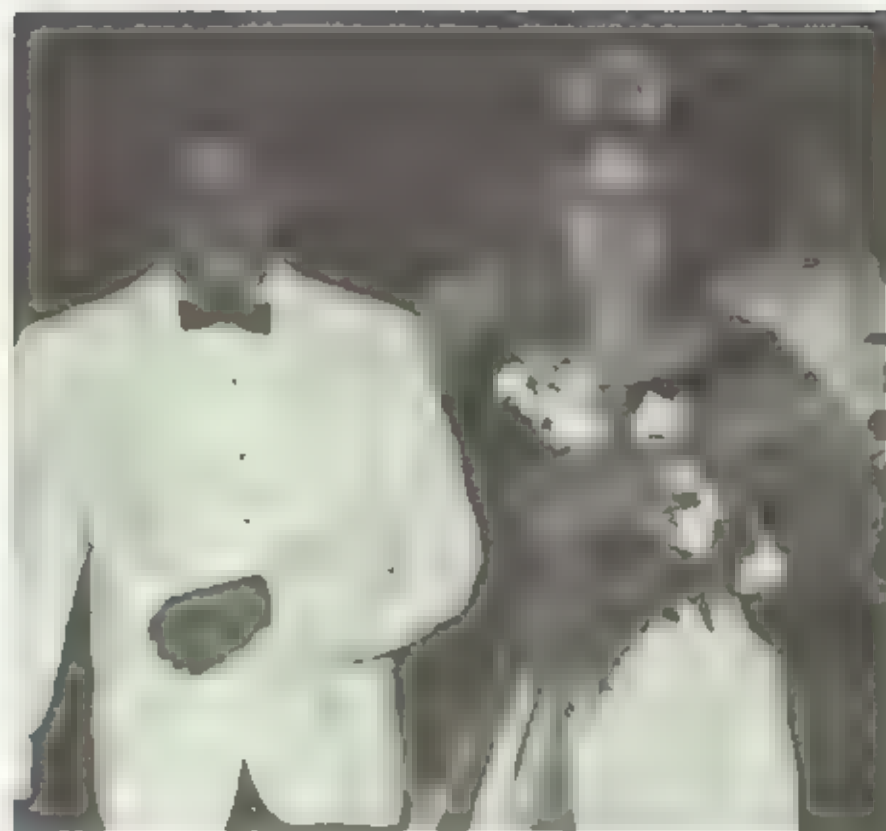

*The past plays its parts in our lives,
whether we wish it to or not,
and the inescapable truth remains
that yesterday was once today...*

*4 moment yet informed, unspoiled
promising the best or worst
only as man himself saw it to create it*

*If a man does not keep
pace with his companions,
perhaps it is because he
hears a different drummer
let him step to the music he
hears, however measured and
far away*

In July, the group, composed of captain Jim Bryan, Chuck Renn, Larry Musso, and Frank Brunnemann, received the Spirit Stick which has been awarded during school rallies to the most spirited class.

a Successful Season

Vocalists Present Concerts

Under the direction of Mr. James O'Connor, the SJM glee club, formerly an all-girl organization, became a mixed chorus this year. The addition of male voices made possible more complex musical arrangements.

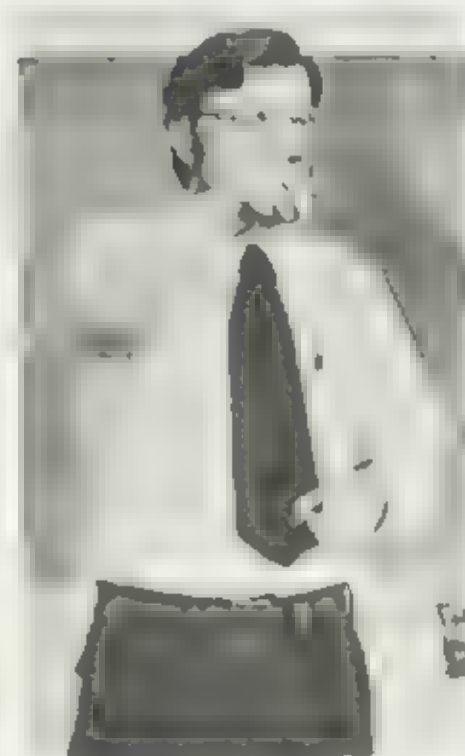

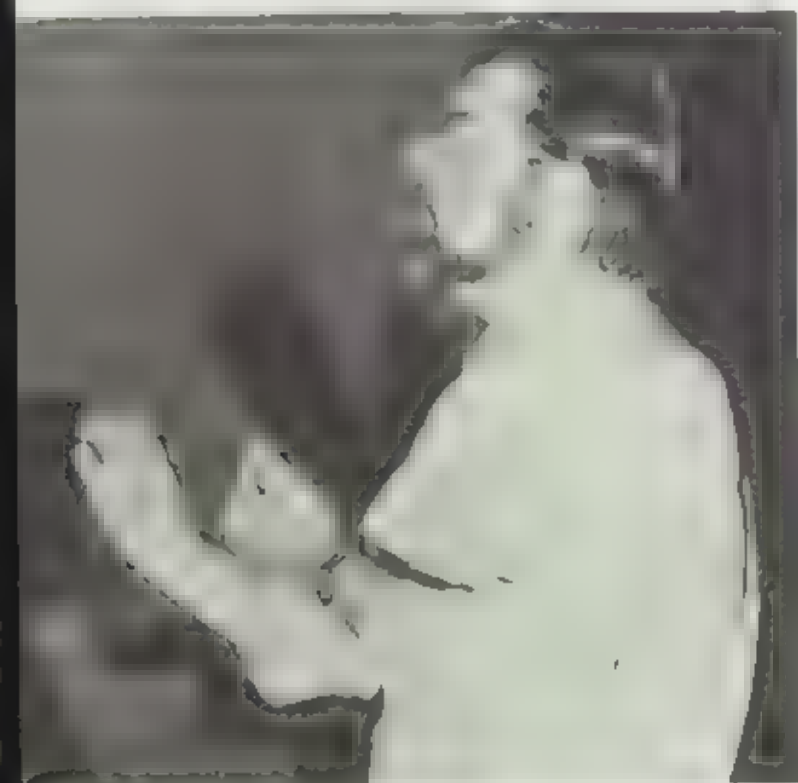

An example of their versatility was demonstrated by the group's performance at the "Renaissance Christmas" program. In keeping with the theme both the music and accompanying musical instruments were limited solely to those used in the Middle Ages. The highlight of the evening was a harp solo.

At the semester the class almost doubled in size, giving the group even more musical variety. "Love in Spring", the spring concert held in April, was the final effort of the class.

Other activities included entertaining at the Mothers' Club Christmas dinner and caroling on the Mall during the Christmas season.

Business and Spanish Clubs

The 1971-1972 Business Club membership was a composite of the students enrolled in the various business courses offered at SJM. Co-moderators, Sister Angelica and Miss Sue Emerzian, helped the business-inclined students decide which direction their interests lay by bringing in speakers representative of different aspects of business.

Actively Participate at SJM

With each passing year, the Spanish Club becomes more active, and this year is no exception. Monthly food sales were held, providing the funds needed to finance club projects. On December 8th, the Spanish Club, along with the SSA, co-sponsored a Mariache Mass to which the entire student body was invited. A Christmas party, also held in December, gave members insight into the customs of a real Spanish Christmas. In April, a trip to San Francisco provided students with a break from school. Los Miztlatecos, a Spanish dance group, helped celebrate Cinco de Mayo with their performances of Mexican folk dances. Students Participate

The Student Service Association was a unique organization in that it had no elected officers although Jeanne Kliegl served as Student Council representative.

Through their many and varied activities, the association served both school and community. Its members participated in a CCD Institute, volunteers sang at Masses held at Veteran's Hospital, worked at the chancellery office and offered their services to the San Juan Bautista Mission during Easter. They successfully sponsored the third annual Christmas Formal.

Moderators were: Sister Delphine Ledoux, Father Don Flickinger, and Father Tom Kleinhans.

One of the largest and most popular organizations on campus is the Girl's Athletic Association, otherwise known as GAA. Its moderator, Miss Dee Pirrmann, and its officers worked toward greater participation in athletics and development of the spirit of sportsmanship. They have achieved this through the many GAA sponsored activities this year such as the 5th annual powderpuff game, girl's volleyball, basketball, track, swimming and for the first time a girl's softball team. The members of S.J.M.'s GAA were also responsible for eighth-grade playdays at the various grammar schools.

1972 Powderpuff Games

Sports

Prandini, Wathen, Frye

Plagued by inexperience in many spots, Memorial's varsity football team surprised everyone by coming out with a strong team. Although the final record was 6 and 4, the team was in every game except one until the final gun.

On offense, the Panthers had experienced returnees in the backfield, but were weak in the line. On defense, however, the line could hold its own against anybody, while injuries to the backfield were suffered. It was bad breaks such as these which kept SJM from having a great season instead of a mediocre one. Of the four games lost, three were lost by only one touchdown; in two of the losses, touchdowns were called back on infractions, calls which later proved wrong.

The Panthers were one of the best-balanced teams around. The magnificent running of John Prandini was complemented by the valley's best pass-catch combo, quarterback Rich Wathen and wide receiver Dennis Frye. These Panthers proved to be the difference in many games. Prandini, Wathen, and Frye all were chosen as All-Metro players. Frye also gained the Offensive Player of the Year Award as well as an All-Valley spot. Prandini was featured in Cal Prep Magazine. Other offensive standouts included block-buster fullback Steve Fondacaro, wide receivers Mike Evangelho and Mike Trotter, and linemen Chris Alamano, Jerry Zuniga, and Manuel Romero.

The 1971 Panthers again sported a strong defensive unit led by All-Metro Rick Defeudis, Bill Paxton, Mike Foxen, and Joe Sandoval. These four were always dependable in the toughest situations. They were backed up by Mark Wathen, Pete Mahoney, Roy Wells, Nelson Beazley, Joe Aldecoa, Bob McGuire, John Woolf, Bill Jischke, Jerry Zuniga, and Bill Wibbenhorst. All of them played to their utmost ability and never failed in giving the ball to the offense countless times in crucial situations. Bill Paxton and Rick Defeudis, who has been named All-Metro and All-Valley for two years, will participate with Frye and Prandini in the City-County game this summer.

In view of the circumstances, the season was actually better than the 6-4 record shows. Efforts put forth by Coaches Dan Stockton, Buddy Vickers, Bob Martin, and Nick Masich did not go unrewarded.

Junior Varsity Shows Promising

Although the 1971 season was not extremely successful, the Junior Varsity Panthers showed the potential and determination needed to produce a good ball team. The season ended on a brighter note with the victory over Washington Union, closing the season with a 3-5-2 record. Freshman Jerry Abercrombie's 35 yard field goal was the climax of the game. Other outstanding members on the team were Gary Gonzales, Morgan Paolercio, Mike Phillips, Harold Guyette and Sam Pondexter. Coach Manny Morales, assisted by Eugene Domek and Ed Taffe, did a fine job in preparing the players for an exciting season.

The Number One Team of Northern and

Great basketball teams are almost a tradition at Memorial. In just the last five years the team under head coach Tom Cleary have compiled a 105-22 overall record, for an impressive 5-1 win-loss ratio. With the winning of so many games so consistently through the years, it is difficult to pinpoint which of the teams, if any, was the finest ever to take the floor in the Memorial gym.

Perhaps the varsity squad of 1971-1972 comes the closest to being the climax of S.J.M.'s long drive to basketball supremacy. Featuring a devastating offense and a tenacious defense which flattened opponents throughout the year, the Panther cagers raced away to a near perfect 27-2 season record. This included third place at the McLane Tournament, a first place in the K.M.J. -Fresno Bee Invitational Tournament, a second consecutive sweep through league undefeated, and a sweep of both divisional and valley championship.

Two members of the team, Clifton Pondexter and Dave Wenig, were chosen All-Metro, and Pat Pardini and Ben Lee were picked to play in the City-County All-Star game. Normally the season would end here. But this year there was icing for the cake.

Due to a change in rules, the C.I.F. allowed Memorial to partake in the prestigious Tournament of Champions in Oakland for the first time in history. No other valley team had ever even been invited. The tournament pits the best against

the best in an effort to determine the prep basketball champ of Northern California. Memorial, a "hick" team from Fresno, "a small farming community in the lower San Joaquin Valley," was not given much of a chance. But the team rolled north and "stuck it in the eye" of the cream of the Bay area prep basketball crop. When the dust had cleared, (the last game against Hayward was won by twenty points.) the San Joaquin Memorial Panthers had some new hardware to add to their trophy case, and a new title to go with it --Champions of Northern California!

Junior Varsity and Frosh-Soph Teams

Led by freshman Sam Pondexter, SJM's 1971-1972 Junior Varsity basketball team made strong showings, both in league and in pre-season games. Coach Jim Meadak put together a balanced squad.

Backing up Sam were Mike Durham, Bob McGuire and Gary Gonzales. They played consistent ball and were better than their 10-4 record indicates. They lost only two games in league and were strong contenders all season. The games they did lose were close and decided in the last minute.

Behind the starters were Jerry Abercrombie, Chuck Kass, Chuck Olono, Doug Frye, and Brian Cleary.

Swimmers Just Miss

The 1972 Panther Swim Team came as close as you can get to first place in league when the A and B boys and the girls all took second.

The scores were close, but in the end, they were not close enough. But still the season was successful as the team sent many representatives to the Divisionals and Valley's with many records broken in the course of the season.

The boy's team was led by Tony Djabayan, Mark Prendergast, Bill Brengetto, Steve Marschall, and Mike Hyndman. Djabayan captured most of the diving awards.

The girl's were led by Freshman Terry McCarthy who broke several records this year. Terry Wibbenhorst, Ann Marie Raterman, Cathy Raterman, Paula Fischer, and Cindy Featherstone also helped the team win.

Polo and Diving Squads

The relatively new Memorial Waterpolo team keeps getting better as the years go by as shown in this year's team which improved last year's record and which shows a strong team coming back next year.

The young team consisted mostly of Juniors, but it still was able to hold its own against more experienced teams. The team was led by goal keeper Tony Djabayan who saved countless shots from scoring. He was backed up by Bill Brengetto, Ken Moody, Mark Prendergast, Tony Gambucci, Dennis Hyndman and Michael Hyndman.

School 440 Relay

This year's team was led by Mike Foxen and John Prandini. Between the two, they gathered half the points in the league meet and other meets. The other half were Juniors Mike Voss and Jack Fischer. Mike lowered the school record down to 15.1 in the 120 high hurdles. Jack took the Class B Valley title in the 880. The four combined for new records in the mile and sprint medley relay.

Other performers of note were Mark Laird fourth in the discus and Mark Ybarra in the 180 low hurdles.

In C Class, Steve Hernandez led a flock of outstanding sprinters, known as the "A" Brothers. After Steve was hurt, Tom Sayeg, Ron Nieto, Mario De La Torre went 1, 2, 3 in the league 220 and 2, 3, 4, in the league 100 yd. dash. They also lowered the school record in the 440 yd. relay to 46.7, two seconds faster than the old record. Also there was Steve Medina in the 440, Mario Gonzales in the low hurdles.

This year's team lacked depth and size or it might have repeated as league champions.

Experience Promises Better

The 1972 Panther baseball teams took a year off to build for 1973. Although not meaning to from the beginning, as time went by that is the only positive thing they could say.

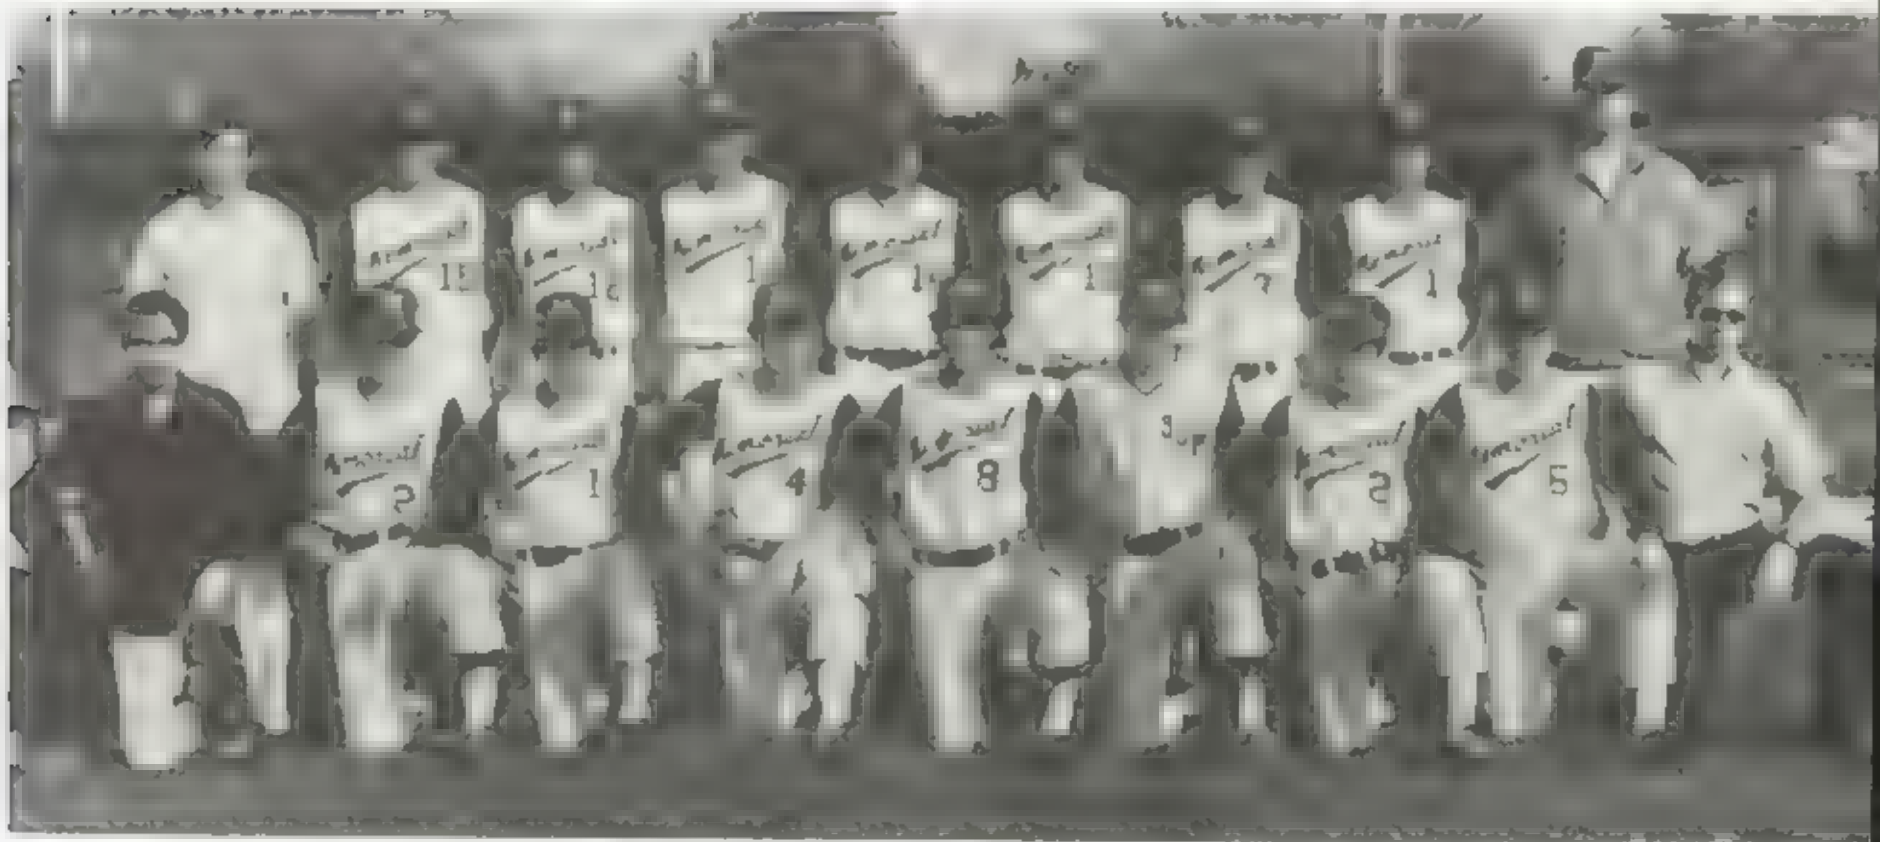

The varsity team was a young team. The majority of the starters were juniors and because of this lack of varsity experience, the team made countless errors, mental and physical, which caused them to lose more than one close game. But amid all this, the team still showed strength when playing tough teams.

In the Holiday Tourney, the team ended with

a 2-2 record including a come-from-behind win over eventual winner Fresno High. Against NSL strong teams, the team came on to give a battle, losing only one or two runs in many of the games.

The J. V. team suffered from inexperience too. They fought a good fight but in the end, due to things which were unexpected, they also lost a majority of their games.

All in all, if you don't look at the records, the season wasn't a bad one, if you are looking toward next year.

Soccer Is Incorporated in

The soccer team was new at Memorial this year. And even though they had a disappointing season, the team showed great promise for the future. With only one Senior, Charlie Bone, the team was dominated by underclassmen.

Led by the fine play of John Caudillo and co-captains Charlie Bone and Roy Wells, the team pulled the upset of the season with a shut-out of the league's top scoring team, Bullard.

The Girls track team, lacking size, but not ability, performed outstandingly in their spring sport. Their coach is Miss Mary Brown. The Junior-Senior boys basketball team, Chris Gibson, took firsts and seconds in league and shot put twice at the season. The freshman team took a sixth out of the thirteen seasons participating in the league finals. Theresa Ray, Pam Nails, Anita Lingenfelter, and Teresa Prandina were some of the teams great athletes.

Freshmen

As members of San Joaquin's youngest class, the Freshmen demonstrated their capability to adjust readily to the numerous challenging situations offered by high school life. Their willingness to become involved and their spirit soon helped them gain the new friends so important to new students.

The abundant enthusiasm displayed by the class was rewarded, for at the final rally the Freshmen were presented with the coveted Spirit Trophy.

However, the Freshmen did not limit their activities solely to winning honors; they also took on the responsibilities of selling student directories and organizing the Father-Daughter dance.

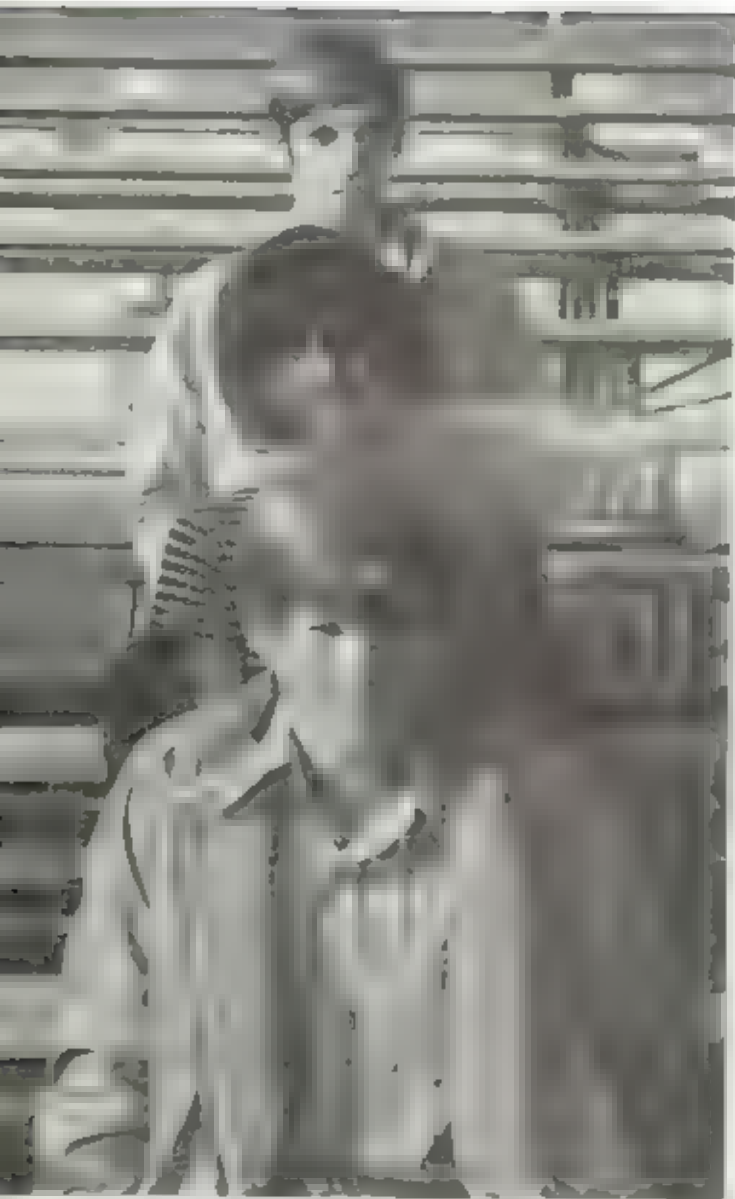

United under their elected officers, President, Mike Garcia; Vice-President, Nancy Baraldi; Secretary, Laura Baraldi; and Treasurer, Martha Wright, the class survived a traumatic orientation and went on to complete a very successful year. Moderator for the Freshmen Class was Brother Bradley.

Sophomores

Throughout the year the Sophomores displayed all the potential necessary for a successful class.

Serving to unite the class and provide leadership were: Thom Fischer, President; Karen Brengetto, Vice-President; Kelina Dalena, Secretary; and Doug Frye, Treasurer.

Early in the year, Sophomore boys received their class jackets, ending the long wait to see not only the jackets but the unique emblem designed by a member of the class.

In February the Sophomore class sponsored a sock hop after one of the basketball games to raise funds for class activities.

Requiring both time and money was the traditional Senior Farewell dance put on by the class. Held in May the event commemorated the last time the Seniors joined with the Sophomores in a school activity. Mr. Vince Kliegl guided the class in their activities.

Sophomore Spirit

Juniors

During their first year as upperclassmen, the juniors participated in many activities. Early in the year the Junior Ring Ceremony was held, symbolizing the unity of the class of 1973. Following the traditional affair, a brunch was served and the juniors were congratulated on receiving their rings.

For Homecoming the class joined forces with the Sophomores in designing an original float with the title "Brand the Broncos."

In November female juniors suffered a discouraging defeat when they lost to the Seniors in the annual Powder-puff football game.

The major endeavor undertaken by the juniors was the preparation for the Junior-Senior Prom. Held in May at the Underground Gardens the formal took as its theme "A Tropical Paradise." Much of the year was devoted to netting the necessary funds to cover the expenses of the Prom. Money-raising activities included a bake sale and a car wash.

Class officers were; President, Bill Brengetto; Vice-President, Rick Lippert; Secretary, Carol Johnson; Treasurer, Tony Gambucci. Mr. Terrance O'Donnell was the director of the class and their activities.

Seniors

The Senior class enjoyed a fast but memorable last year of high school. During the early part of September, the Seniors officiated Freshmen orientation, ending the week with the Mr. Touchdown dance which drew one of the year's largest crowds. October brought Homecoming and the Senior sock hop held after that game.

The new year continued to involve the class in various activities, including a Junior-Senior snow trip and an alumni-varsity basketball game. During the first three months of 1972 Senior retreats were held at San Juan Bautista for both boys and girls. Profits from the Champagne party held late in January helped reduce the price of the three day retreats.

Spring came bringing with it the popular Sadie Hawkins dance also sponsored by the Seniors. In May the class spent their last days together picnicking at Carmel and preparing for graduation. Graduation was held on June 3 at the Convention Center. Mr. John Supino moderated the class.

Brother George

As you finish glancing through this book my only request is that you smile. May happy memories return with each page of the 1972 annual.

The annual has come to an end but the many people who have given of themselves to produce this book shall not be forgotten. Brother Raymond deserves a very special thank you for his concern and support of the yearbook. My appreciation is extended to Sister Mercedes, Brother Jude and the faculty for being patient and allowing annual photographers to skip classes, snap pictures, and disrupt classes.

It seems that one member of the staff journeyed across the San Joaquin bridge from Madera in the twilight hours to develop pictures; thanks to the "phantom of the dark room," alias Allen Baraldi, the 1972 yearbook is a reality. A thank you must be expressed to Carol Johnson and Doris Latona for their ambition and completion of two class sections.

The 256 pages of this annual were mainly typed by Ann Eliceche under the careful guidance and time of Miss Sue Emerzian, without them the annual would have been a picture book. To Brother George Kohles and Brother George Zarzana my gratitude for their hours of proof-reading. To the staff of the "Spirit of '72" my appreciation for the hours of work put into their pages and for the joys of working with them.

In the grand metropolis of Madera there are two people to whom I cannot express my gratefulness. To my parents, Mr. and Mrs. Fred Massetti, I give my love and appreciation for their understanding, their concern and for just being the people that they are.

Behind the "Spirit of '72" is a special person, Mr. Ed Marcoux. Very few people realize the time, the effort and the care that he has put into this annual. To Mr. Marcoux I give my appreciation for his deep concern and for making everything easier and enjoyable. It was truly a worthwhile experience working with him.

Although my expressions of gratitude are inadequate, I leave everyone with a quote of Aristotle's involving friendship.

What is friendship? It is a single soul which dwells in two bodies. I hope that the "Spirit of '72" brings back memories of friendships and joys that can be shared.

To all of you my love and appreciation for being a part of my life.

Ceci Massetti
